SUBJECT INDEX*

A

Abstracts Research abstracts from the ENA Leadership Challenge, February 22-25, 2001, Reno, Nev. 2001;27:116-8

Research paper and poster summaries from the ENA 2001 Annual Meeting. 2001;27:422-9

Clinical poster summaries from the ENA 2001 Annual Meeting. 2001;27:430-6

Accidental falls As scooter sales increase, injuries soar (Flaherty). 2001;27:59-60 (From the Feds)

Falls in the elderly: making the difference (Harrahill). 2001;27:209-10

A man with wrist pain after a fall (Molitor). 2001;27:211-2

Accidents, aviation Hot air balloon crash: an unusual incident in Oregon (Gunnels et al). 2001;27:94-6

Accidents, traffic Data detailing auto trauma cases available (Flaherty). 2001;27:577 (From the Feds)

Deaths and injuries increase in Texas and Arkansas following helmet law repeal (Flaherty). 2001;27:169 (From the Feds)

Decrease in fatalities following Illinois .08 blood alcohol content law (Flaherty). 2001;27:168-9 (From the Feds)

Pedestrian safety—teaching points and resources for ED nurses educating the community (Lassman). 2001;27:360-3

A year of progress for highway safety (Flaherty). 2001;27:58-9 (From the Feds)

Adnexitis A 26-year-old woman with right shoulder pain (Molitor). 2001;27:404-5

Adolescence Teens face serious risk of job-related death in agricultural operations (Flaherty). 2001;27:167-8 (From the Feds)

Triaging pediatric orthopedic injuries (Molczan). 2001;27:297-300

Adrenergic beta-antagonists Esmolol: a unique drug with ED applications (Frakes). 2001;27:47-51

A 39-year-old man with an overdose of β-blockers (Slater). 2001;27:323-6

Advertising Accepting drug-endorsed free products (Heilicser). 2001;27:383 (Managers Forum)

Aftercare Callbacks (Cilley) (Glower) (Roepe) (Sass and Noll). 2001;27:187-8 (Managers Forum)

Aged Falls in the elderly: making the difference (Harrahill). 2001;27:209-10

Good bandages for the elderly (Blazys). 2001;27:263 (Clinical Nurses Forum)

Teaching hospitals and older heart attack patients (Flaherty). 2001;27:57-8 (From the Feds)

Agency for Healthcare Research and Quality Antibiotic treatment of children with acute otitis media (Flaherty). 2001;27:56-7 (From the Feds)

Evidence for the prevention of thromboembolism after injury (Flaherty). 2001;27:270-1 (From the Feds)

Reducing cervical spine radiographs in patients with blunt trauma (Flaherty). 2001;27:168 (From the Feds)

Teaching hospitals and older heart attack patients (Flaherty). 2001;27:57-8 (From the Feds)

Agriculture Teens face serious risk of job-related death in agricultural operations (Flaherty). 2001;27:167-8 (From the Feds)

Alcoholic intoxication Decrease in fatalities following Illinois .08 blood alcohol content law (Flaherty). 2001;27:168-9 (From the Feds)

ED staff's reporting of impaired drivers: understanding the issues, continuing the work (Criddle et al). 2001;27:199-203

ENA General Assembly resolution will help impaired drivers and the public (Hansen). 2001;27:61-4

Algorithms EMTALA: practical application with an algorithm (Casaubon). 2001;27:364-8

Ambulatory care Systems to justify APC billing (Cesar) (Keenen) (Louda) (Schuster) (Shaeffer). 2001;27:181-5 (Managers Forum)

Amiodarone Preparing/administering amiodarone (Blazys). 2001;27:572-3 (Clinical Nurses Forum)

Angioplasty, transluminal, percutaneous coronary New anticoagulant approved (Flaherty). 2001;27:358 (From the Feds)

Animals, domestic Livestock trauma in central Texas: cowboys, ranchers, and dudes (Criddle). 2001;27:132-40

Anti-arrhythmia agents Esmolol: a unique drug with ED applications (Frakes). 2001;27:47-51

Antibiotics Antibiotic treatment of children with acute otitis media (Flaherty). 2001;27:56-7 (From the Feds)

Antimicrobial central venous catheters: Do they make a difference? (Criddle). 2001;27:306-7

The importance of quickly initiating antibiotic therapy in a 20-year-old man with bacterial meningitis (Bridy). 2001;27:437-9

Anticoagulants New anticoagulant approved (Flaherty). 2001;27:358 (From the Feds)

Appointments and schedules Marketing time guarantees (Hill) (Keenen). 2001;27:188-9 (Managers Forum)

Asthma Oral versus IV steroids for asthma (Blazys). 2001;27:45-6 (Clinical Nurses Forum)

Athletic injuries Livestock trauma in central Texas: cowboys, ranchers, and dudes (Criddle). 2001;27:132-40

Attitude of health personnel Commitment, not compliance (Manion). 2001;27:498-9 (Managers Forum)

Automobile driving ED staff's reporting of impaired drivers: understanding the issues, continuing the work (Criddle et al). 2001;27:199-203

ENA General Assembly resolution will help impaired drivers and the public (Hansen). 2001;27:61-4

Automobiles New standard to require internal trunk releases on cars (Flaherty). 2001;27:168 (From the Feds)

B

Back injuries Disabling back injuries in nursing personnel (Edlich et al). 2001;27:150-5

No evidence that back belts reduce injury seen in study of back belt users (Flaherty). 2001;27:269-70 (From the Feds)

Bandages Good bandages for the elderly (Blazys). 2001;27:263 (Clinical Nurses Forum)

Benchmarking Staffing standards benchmarking (Bolton) (Cavouras) (DeGroot) (Kobs) (Manthey) (Velianoff). 2001;27:179-81 (Managers Forum)

Beta-blockers; see Adrenergic beta-antagonists

Biological warfare Responding to the threat of bioterrorism: practical resources and references, and the importance of preparation (Stopford). 2001;27:471-5

Bites and stings Breeds of dogs involved in fatal human attacks (Flaherty). 2001;27:166-7 (From the Feds)

The PAWS program: pediatric animal awareness and safety (Bernardo et al). 2001;27:387-90

Blood-borne pathogens Blood exposure—remember the emotional side (Doody and Crnkovic). 2001;27:450-3

Management of bloodborne fluid exposures with a rapid treatment prophylactic Caremap: one hospital's 4-year experience (Philie). 2001;27:440-9

*February, pp 1-106; April, pp 107-222; June, pp 223-318; August, pp 319-412; October, pp 413-526; December, pp 527-632.

Blood gas analysis Obtaining ABG specimens (Bull) (Newton) (Pecot) (Richardson). 2001;27:496-7 (Managers Forum)

Blood pressure More on the Clinical Nurses Forum column (Cox) (Letter); Blazys (Reply). 2001;27:10-2

Body temperature regulation Back to basics: monitoring trauma patients for hypothermia induced by treatment in the emergency department (Clemence). 2001;27:610-1

Continuous arteriovenous rewarming: rapid restoration of normothermia in the emergency department (Andreoni and Massey). 2001;27:533-7

Botulinum toxins First drug approved for cervical neck muscle dystonia (Flaherty). 2001;27:358 (From the Feds)

Braces No evidence that back belts reduce injury seen in study of back belt users (Flaherty). 2001;27:269-70 (From the Feds)

Breast neoplasms Breast cancer study seeks volunteers for short survey (Zimmermann). 2001;27:231 (Letter)

Your life in your hands: on finding *causes*, not just treating, breast cancer (Lenehan). 2001;27:109 (Editorial)

Butyrolactone More on γ-butyrolactone (GBL/GHB) toxicity. 2001;27:7-8 (Letter)

C

Candidiasis, oral A 52-year-old man with a cough and a sore throat (Molitor). 2001;27:612-3

Career mobility Clinical ladder educational requirements (Cather) (Newton) (Stradi). 2001;27:380-1 (Managers Forum)

Caregivers Services for patients with mental retardation (Blazys). 2001;27:44 (Clinical Nurses Forum)

Case management A case management, education, and prevention program at a small emergency shelter for homeless men: one nurse's experience (Majka). 2001;27:255-9

Case Review (column) Case Review. 2001;27:13-6, 119-23, 234-7, 323-6, 437-9, 533-7

Casts, surgical An inexpensive cast cover (Blazys). 2001;27:263 (Clinical Nurses Forum)

Catheterization, central venous Antimicrobial central venous catheters: Do they make a difference? (Criddle). 2001;27:306-7

CE Test CE Test. 2001;27:100-6, 215-22, 313-8, 406-12, 521-6, 614-8
